

# Mendocino Land Trust Conservation and Trails Internship

Applications Due by 5 PM on Friday, March 20th, 2026

**Description:** The intern will work as part of MLT's Stewardship Team on a variety of conservation, stewardship, habitat restoration, and public access trail projects in Mendocino County. These projects will include: stewardship of MLT's coastal trails and preserves, volunteer event coordination, conservation easement and fee land monitoring, new trail planning and construction, and report writing. The intern will also assist with various administrative duties, including grant and permit preparation. The position will report to Anna Bride, Stewardship Project Manager, and will work closely with other members of staff. The internship will last 10 weeks, from mid-June to mid-August (exact dates to be determined). The internship comes with a \$6,760 stipend (before taxes). A rustic housing option is available in the Mendocino Woodlands State Park for the duration of the internship. This housing is located thirty minutes by car from our office and costs \$700 flat for the 10 weeks. Alternatively, the intern may seek out their own housing in the area, although rental options are limited.

## **Responsibilities Include:**

- Help care for and maintain MLT's coastal trails and preserves
- Assist staff with social media and outreach efforts
- Assist staff with documentation of land stewardship and restoration activities
- Coordinate volunteer events
- Produce maps for projects or assist with mapping
- Assist with conservation easement monitoring
- Conduct field work and office research to support restoration and forestry projects
- Research and prepare grant and permit documents

## **Qualifications:**

- Passion for natural resource protection and restoration, desire to learn, and a preference for taking initiative.
- Interest in living and working on the rugged and remote Northern California Coast.
- Ability and desire to work indoors in an office setting.
- Ability and desire to spend full days working outside in the field, occasionally hiking in rugged conditions.
- Travel to the office in Fort Bragg from the intern's place of housing will be by the intern's personal transportation.
- Intern should have the clothing and personal gear necessary to work outside.
- Must be a California State resident

## **How to apply:**

Please submit a cover letter and resume by email to Anna Bride at [anna@mendocinolandtrust.org](mailto:anna@mendocinolandtrust.org). In your cover letter, make sure to address the following:

Why are you interested in an internship with the Mendocino Land Trust?

Tell us about yourself, your interests, and why a position in the environmental field intrigues you

How will your past experience benefit the Land Trust during your internship?

## **About Mendocino Land Trust**

The Mendocino Land Trust conserves and restores habitat, scenic areas, and working lands while also providing public access to beautiful places.
